## 2010 Napa Valley Cabernet Sauvignon

### Vineyard

Big Ranch Road Yountville, California. This vineyard is situated in the heart of Napa Valley and has been the basis of our wonderful Cabernet Sauvignon for years.

### Production

The grapes were hand picked and fermented in Napa Valley California. After a 24 hour cold soak, the yeast was added and fermentation temperatures were maintained around 85 degrees. A pump-over regimen was used to maintain proper oxygen levels in the must and to ensure appropriate color and flavor extraction. Once pressed and settled, malo-lactic fermentation was initiated and the wine was transported to our Connecticut winery for aging. 18 months of barrel aging in a blend of French and American oak barrels allows for the concentration of the wine and integration of the oak flavors. 50% new barrels are used in each vintage.

### Tasting Notes

An earthy and robust red with a bold mouth feel and notes of currant.

### Technical Data

Alcohol		15.1%
pH		3.58
Acidity		6.8g/L
Brix at harvest		26°
Harvest Date		9/20/2010
Production		392 cases
